## **Earthwise Group Member JetAlum Named “Donor of the Month” by Habitat for Humanity**

**LIBERTY TOWNSHIP, OHIO, February 26, 2013** – [The Earthwise Group, LLC](#), a national network of locally owned, independent manufacturers of windows and doors, is pleased to announce that member company JetAlum has been named “Donor of the Month” for March 2013 by the Habitat for Humanity-Kansas City, Mo. chapter. Since JetAlum began working with Habitat for Humanity in 2012, the company has manufactured and donated Earthwise windows that have been used to build affordable, clean and safe housing in Kansas City’s downtown area.

“On behalf of The Earthwise Group, I’d like to congratulate JetAlum on being named ‘Donor of the Month’ by Habitat for Humanity,” said Mark Davis, executive director, The Earthwise Group, LLC. “This designation is a testament to JetAlum’s generosity and commitment to their local community. The Earthwise windows that JetAlum donated have enabled Habitat to build homes with high-quality, energy-efficient windows that will last for years to come.”

“Knowing that the Earthwise windows we’ve donated will be used to build a dream home for local residents in need is a wonderful feeling,” said Jim White, co-owner of JetAlum. “It’s an honor to receive this recognition from Habitat for Humanity, and we plan to maintain our partnership with this worthy organization for years to come.”

## **Earthwise Group Member JetAlum Named “Donor of the Month” by Habitat for Humanity (cont.)**

Based in Kansas City, Mo., JetAlum manufactures high-quality windows and doors for residential and commercial applications. The company manufactures Earthwise Vinyl Windows which have earned the *Good Housekeeping* Seal of Approval. All of JetAlum’s Earthwise windows are available with options including argon gas filled IG Units, Low-E glass and internal grid patterns. The company also manufactures custom-made storm windows, doors and screens. Additionally, JetAlum offers a variety of repair solutions for custom glass, insulated glass and screens.

Drawing from the strength of its member companies, The Earthwise Group is at the forefront of meeting and exceeding industry demand for windows and doors that balance form, function and energy efficiency. Products produced by Earthwise Group members consistently meet and exceed the rigorous standards set by Energy Star, the National Fenestration Rating Council (NFRC), and the American Architectural Manufacturers Association (AAMA). The organization also recently became the first and only window and door manufacturer to be Made in USA Certified.

Currently, there are 15 Earthwise manufacturing facilities, with distribution covering the majority of the eastern half of the United States.
